### Each of our properties has reason to be proud of their off season efforts.

All rooms at the **Gorges Grant Hotel** now offer LCD HD TV's with over 50 high definition channels from which to choose. You'll stay snug and dry under our new roof (20 years already!?) on the main building.

The **Juniper Hill Inn** enhanced the rooms in the Chase building with new furniture, carpet, tile, granite countertops and shower surrounds. For additional security and comfort, all exterior guest room doors in both the Main and the Chase buildings were replaced. Don't forget about our arcade. Conveniently located adjacent to the indoor pool and fitness area, it provides fun for the entire family! And finally, the Juniper Hill Inn now offers LCD HD TV's in 30% of its rooms.

The **Milestone** has replaced its pool furniture including more seating and umbrellas. Poolside comfort was never so good! We've also been busy on the exterior of our buildings replacing roofs and decks. As always, complimentary continental breakfast is here to help you kick off your day!
